

Please pray for TWR in July 2020

- 1** Pray for TWR listeners in Africa that they may find hope through the programmes broadcast by TWR.
- 2** We thank and praise God that TWR Africa continues to proclaim God's unchanging message in this changing world.
- 3** Pray for spiritual and physical healing for TWR Africa listeners in countries devastated by war.
- 4** We pray for those TWR Africa translators and producers working in hostile locations where their own lives are at risk.
- 5** Pray for safety for TWR Africa workers who distribute radios in locations where Christians are persecuted.
- 6** Pray that God will use TWR Africa's programmes to encourage listeners to positively affect the lives of friends and family, and even communities.
- 7** We praise God for the many responses we received since broadcasting the Afrikaans *Thru the Bible* programme, called *Die Bybel vir Vandag*, in Namibia. We give thanks that many listeners are blessed by the programme.
- 8** We thank God for the TWR Africa presenters who present TWR programmes in a variety of languages spoken throughout Africa.
- 9** Please pray for sustainable growth and expansion of TWR Africa's ministry to the Portuguese speaking people in Africa. Pray that God will provide resources and staff for this task.
- 10** Pray for our national partner, TWR Malawi, as they extend their broadcast to the north of Malawi, despite the many challenges faced earlier this year.
- 11** Pray for the expansion of the TWR Zulu ministry as they reach out to the Zulu-speaking people with messages of hope.
- 12** Please pray that God's Word will bring salvation and hope to listeners in Nigeria who receive broadcasts from the new Oasis transmitter launched earlier this year.
- 13** Continue to pray for TWR Africa listener groups across the continent. Pray that they will be encouraged by the Word of God and the fellowship with each other.
- 14** Pray for Stuart Gordon, Human Resource Director for the TWR Africa Region, who celebrates his birthday today. Please pray for godly wisdom as he often deals with sensitive information and situations.
- 15** Pray that churches support Christians who minister to those who are persecuted, tortured, imprisoned, or in danger of being killed in African countries.
- 16** Praise God for the *Litala Iya Umi (The Way of Life)* programme that is airing from the TWR transmitting station in Eswatini and the listener responses we receive. Pray for provision for the continuation of this broadcast.
- 17** Africa needs Jesus! Please pray that TWR Africa will be able to extend the ministry to more unreached people groups, particularly in remote areas so that it will bring in a great harvest of souls.
- 18** Please pray that God will make a way for continued broadcasting of TWR programmes in poverty-stricken countries throughout Africa.
- 19** Ask the Lord to give Eberhard Haberkorn strength and vision as he prepares TWR's German programmes for radio stations on a monthly basis.
- 20** Please continue to pray for the West and Central Africa team as they continue to seek ways and opportunities to expand the ministry in their region so that lives can be transformed.
- 21** Pray that God will give the TWR Africa Audience Relations Department grace and wisdom to help those who turn to the Lord and who contact the team to remain firm in their decision and to bear fruit.
- 22** Please pray that the Lord will continue to provide resources for the regional office in Africa to implement TWR's vision and projects effectively for the advancement of the Kingdom.
- 23** Please pray for wisdom, strength, health and protection for TWR staff across Africa.
- 24** Pray for God's provision for funding needed for the development of new programmes for Zimbabwe.
- 25** Please pray for all TWR Africa programme script translators and programme producers to remain steadfastly focused on making TWR programmes available to audiences in their heart language.
- 26** Today Brenda Lombard celebrates her birthday. Please pray that God will guide her as she serves with TWR Women of Hope, coordinating the translation of the *Women of Hope* prayer calendars to the languages of Africa, and administrates the TWR Africa *Women of Hope* web site.
- 27** Pray for continuous support to cover the cost of airing existing programmes and production of new programmes to effectively reach out to all who are searching for the true Gospel.
- 28** We praise God for the initiatives and proposed programmes bringing messages of comfort to our listeners. Pray for financial support of these initiatives.
- 29** Please pray for our Afrikaans *Thru the Bible* listeners in South Africa who respond to the programme via WhatsApp and share their needs and fears with us. Mothers are especially concerned about the presence of gangs and the safety of their children.
- 30** Pray for more programmes for children to be produced and broadcast by TWR Africa.
- 31** Continue to pray that the youth in Africa will tune in to TWR to find guidance through our programmes. We thank God for receiving many responses from young listeners who testify that their lives were changed by listening to the messages broadcast by TWR.
