

Prayer calendar for October 2018

This month we pray for the TWR KZN team as they reach out to listeners in Zulu, Afrikaans and German.

1 Let us bring Sphiwe Nxumalo to the Lord today as she leads TWR's ministry in southern Africa. Ask the Lord for great wisdom as she interacts with the different teams.

2 The KZN ministry team visited pastors and radio stations in Mpumalanga and Swaziland in July to make the Zulu programmes known and partner with churches. Pray for fruitful results.

3 Let us pray for Petros Gwala as he leads the Zulu team in KZN. Ask the Lord for great wisdom as he interacts with leaders and pastors in communities.

4 Many widows in KZN are passionate about prayer. Ask the Lord to give Zoe wisdom as she visits and encourages these special prayer groups and also produces a programme for women.

5 Pray for the many widows in the KZN area that are being exploited and suffer under mean family members. Pray that the Lord will use TWR's programmes to empower them in such circumstances.

6 Let us pray that the Lord will provide financial resources for the Zulu team to continue producing relevant programmes for men, women and children, equipping them for life through God's Word

7 Today we pray for TWR's Zulu programmes aired over different radio stations in KZN and further afield. Ask that the content will penetrate hearts and change lives.

8 We thank the Lord for the meaningful trip of Martin Stobwasser and Eberhard Haberkorn to Namibia in August. Pray for our faithful listeners there.

9 Let us pray for the TWR Namibia Board as they serve to see programmes aired over the main radio stations and also liaising with the German congregations.

10 Thank the Lord for the good relationship TWR has with the National Broadcasting Corporation in Namibia as well as Channel 7 and Hitradio Namibia. Ask that the door of opportunity will bear much fruit.

11 Today we pray for the daily German devotional programme aired over the above radio stations in Namibia. Ask that it will clearly speak into the lives of listeners and encourage them.

12 Let us pray for Angelika as she looks after the needs of our German listeners and faithfully answers their requests. Ask the Lord to guide her through His Spirit.

13 Pray for the German congregations in South Africa as they seek to serve German communities, but at the same time having to adapt to the changing environment in language and culture.

14 Today we pray for the German programmes aired over TWR Africa on DStv audio channel 855. Ask the Lord to touch lives for His Kingdom.

15 Today we pray for TWR's Afrikaans *Thru the Bible* programme airing over a number of radio stations across South Africa. Thank the Lord that this programme equips and teaches listeners systematically to apply God's Word in their everyday lives.

16 Let us pray for TWR's development of Zulu children's programmes in the next months, that children will get to know Jesus as their Friend.

17 Ask the Lord to guide the Zulu team as they explore new ways to minister to communities through the internet and social media. Trust the Lord with them for great insight and resources needed.

18 Let us pray for the Association of Christian Media (ACM) in South Africa as they provide a platform for media organisations to network, learn together and conduct training opportunities.

19 We thank the Lord for the award that TWR KZN won for the Zulu leadership programme called *Phambili* (meaning "moving forward") at the ACM conference. Ask the Lord that future programmes will continue to equip leaders to serve like Jesus.

20 In July members of the South Africa Learning and Transformation Alliance (SALT), of which TWR is a part of, met in Stellenbosch for training, strategizing and encouraging one another. Pray that the Lord will greatly use all six member organisations.

21 SALT members reach out to the vulnerable in various communities across South Africa. They fulfil a great need. Pray that the Lord's favour and protection will be over them.

22 We thank the Lord for the more than 30 Christian radio stations broadcasting the Gospel throughout South Africa. Ask that the Lord will inspire them to excellent service and provide in their needs.

23 Pray for Eberhard Haberkorn as he manages TWR's offices in KZN. Ask for the Lord's wisdom in decision making and running the offices.

24 Please pray for the safety of staff as they serve at the office building at KZN.

25 Let us ask the Lord to keep His hand of protection over the equipment of TWR KZN, especially during thunder storms.

26 Today we pray for Christo van Eeden as he works with Petros Gwala to make the ministry of TWR known in churches and individuals across KZN. Ask for open doors and the Lord's favour.

27 Let us pray for many listeners who respond to TWR KZN programmes, many of whom ask for prayer for dire needs in their lives.

28 Thank the Lord for the partnership with Focus on the Family in the counselling of listeners with deep and challenging needs. Ask that the Holy Spirit will guide the counsellors in all truth.

29 Praise the Lord for the many volunteers assisting TWR with various needs at the offices. Ask that the Lord will indeed bless them.

30 Let us pray for Thuli and Emmanuel who diligently look after the cleanliness of the office and tending to the gardens. Pray that the Lord will enfold them with His love.

31 Thank the Lord for His faithfulness and provision for the past month. Let us pray that He will go before TWR in the new month.
